**Re: Toth v. New York City Dep't of Educ., Case No. 25-cv-3317 (NRM) (TAM)  
Plaintiff's Response to Court Directive to Offer Motion Briefing Schedule**

Dear Judge Morrison:

After service of the Complaint, Defendant enjoyed nearly four months to answer or to move to dismiss. Seeking comparable time to respond, plaintiffs request 90 days to oppose.

Plaintiff conferred with Defendant. Defendant did not respond to or comment upon Plaintiff's request for 90 days to oppose.

Accordingly, Plaintiff requests the following motion dates:

09/29/2025	Defendants file motion to dismiss
12/29/2025	Plaintiffs oppose
01/05/2026	Defendant may file reply
Hearing	If and when Court deems necessary.

Respectfully submitted,  
*/s/ Anton J. Mikofsky*
